INTELLIGENCE PRODUCERS COUNCIL

IPC 6862-88

1 March 1988

MEMORANDUM FOR: Intelligence Producers Council

FROM: John L. Helgerson
Chairman, Intelligence Producers Council

SUBJECT: Chairmanship of IPC

1. The Deputy Director of Central Intelligence has named James L. McCullough, the new Associate Deputy Director for Intelligence, CIA, as the Chairman of the Intelligence Producers Council.

2. I want to take this opportunity to thank you for your participation and assistance in the affairs of the Council during my tenure as Chairman. Through your personal involvement and interest in the Council, I believe we have contributed much toward maintaining and improving the quality of analyses and assessments. We have also given intelligence producers a stronger voice in major Community program decisions.

3. Again, thank you for your assistance with the Council's work. I look forward to a close association with other parts of your organization in my new job as Director of Congressional Affairs, CIA.
